Purpose

The purpose of Parent's Day Out is to give the child an opportunity to learn and grow while having fun in a well-supervised atmosphere, and to give the parent an opportunity to pursue other activities.

Curriculum

There is a planned curriculum designed to meet the social, emotional, physical, and intellectual needs of the child in each age group. The curriculum includes shape, color, alphabet recognition, large and small motor skills, music, art, eye-hand coordination activities, plus other readiness skills. A Christian Education program is also provided for your child.

Licensure

Overland Park Christian Church Parent's Day Out and Preschool are licensed by the State of Kansas and follow all guidelines set by the state. We take every precaution to ensure the safety and health of your children. These precautions include such items as health certificates for teachers, periodic fire and tornado drills, daily sanitation of equipment, Fire and Health Department inspections, and many, many more. We strive to ensure your peace of mind while your children are in our care.
