Centering Prayer

Rev. Amy Shoemaker

*one: The sun glows on the horizon —  
deserts, cities, forests, foothills,  
coastlines, olive groves, ashes —*

*all: **and reminds us that because we are alive,  
a new world is possible.***

*one: The waxing and waning of Grandmother Moon  
pulls us through our seasons, shifts our tides each day*

*all: **and empires rise and fall like sand castles.***

*one: Our Earth home has made her journey around Father Sun again.*

*all: **and we return to our intentions for flourishing,***

*one: we tune into what we dedicate to one another.*

*all: **We offer our lives to what is beautiful.***

*one: We honor the dead with our justice-making.*

*all: **We praise the Holy with our unfettered living.***
